B. Annual Plan Elements

B.1 Revision of PHA Plan Elements.

(a) Have the following PHA Plan elements been revised by the PHA since its last **Annual PHA Plan** submission?

Y N

- X Statement of Housing Needs and Strategy for Addressing Housing Needs.
- X Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.
- X Financial Resources.
- X Rent Determination.
- X Homeownership Programs.
- X Safety and Crime Prevention.
- X Pet Policy.
- X Substantial Deviation.
- X Significant Amendment/Modification

(b) The PHA must submit its Deconcentration Policy for Field Office Review.

Deconcentration of Poverty and Income-Mixing [24 CFR 903.1 and 903.2]

The PHA's admission policy must be designed to provide for deconcentration of poverty and income-mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects. A statement of the PHA's deconcentration policies must be included in its annual plan [24 CFR 903.7(b)].

The PHA's deconcentration policy must comply with its obligation to meet the income targeting requirement [24 CFR 903.2(c)(5)].

Developments subject to the de-concentration requirement are referred to as 'covered developments' and include general occupancy (family) public housing developments. The following developments are not subject to deconcentration and income mixing requirements: developments operated by a PHA with fewer than 100 public housing units; mixed population or developments designated specifically for elderly or disabled families; developments operated by a PHA with only one general occupancy development; developments approved for demolition or for conversion to tenant-based public housing; and developments approved for a mixed-finance plan using HOPE VI or public housing funds [24 CFR 903.2(b)].

Steps for Implementation [24 CFR 903.2(c)(1)]

To implement the statutory requirement to deconcentrate poverty and provide for income mixing in covered developments, the PHA must comply with the following steps:

Step 1. The PHA must determine the average income of all families residing in all the PHA's covered developments. The PHA may use the median income, instead of average income, provided that the PHA includes a written explanation in its annual plan justifying the use of median income.

PHA Policy

The PHA will determine the average income of all families in all covered developments on an annual basis.

Step 2. The PHA must determine the average income (or median income, if median income was used in Step 1) of all families residing in each covered development. In determining average income for each development, the PHA has the option of adjusting its income analysis for unit size in accordance with procedures prescribed by HUD.

PHA Policy

The PHA will determine the average income of all families residing in each covered development (not adjusting for unit size) on an annual basis.

Step 3. The PHA must then determine whether each of its covered developments falls above, within, or below the established income range (EIR), which is from 85% to 115% of the average family income determined in Step 1. However, the upper limit must never be less than the income at which a family would be defined as an extremely low income family (30% of median income).

Step 4. The PHA with covered developments having average incomes outside the EIR must then determine whether or not these developments are consistent with its local goals and annual plan.

Step 5. Where the income profile for a covered development is not explained or justified in the annual plan submission, the PHA must include in its admission policy its specific policy to provide for deconcentration of poverty and income mixing.

Depending on local circumstances the PHA's deconcentration policy may include, but is not limited to the following:

- Providing incentives to encourage families to accept units in developments where their income level is needed, including rent incentives, affirmative marketing plans, or added amenities
- Targeting investment and capital improvements toward developments with an average income below the EIR to encourage families with incomes above the EIR to accept units in those developments
- Establishing a preference for admission of working families in developments below the EIR
- Skipping a family on the waiting list to reach another family in an effort to further the goals of deconcentration
- Providing other strategies permitted by statute and determined by the PHA in consultation with the residents and the community through the annual plan process to be responsive to local needs and PHA strategic objectives

A family has the sole discretion whether to accept an offer of a unit made under the PHA's deconcentration policy. The PHA must not take any adverse action toward any eligible family for choosing not to accept an offer of a unit under the PHA's deconcentration policy [24 CFR 903.2(c)(4)].

If, at annual review, the average incomes at all general occupancy developments are within the EIR, the PHA will be considered to be in compliance with the deconcentration requirement and no further action is required.

PHA Policy

For developments outside the EIR, the PHA will take advantage of all allowable strategies in order to comply with the deconcentration requirements.

(c) If the PHA answered yes for any element, describe the revisions for each element below:

<p>B.2</p>	<p>New Activities.</p> <p>(a) Does the PHA intend to undertake any new activities related to the following in the PHA's current Fiscal Year?</p> <p>Y N</p> <p><input checked="" type="checkbox"/> X Hope VI or Choice Neighborhoods.</p> <p><input checked="" type="checkbox"/> X Mixed Finance Modernization or Development.</p> <p><input checked="" type="checkbox"/> X Demolition and/or Disposition.</p> <p><input checked="" type="checkbox"/> X Conversion of Public Housing to Tenant Based Assistance.</p> <p><input checked="" type="checkbox"/> X Conversion of Public Housing to Project-Based Assistance under RAD.</p> <p><input checked="" type="checkbox"/> X Project Based Vouchers.</p> <p><input checked="" type="checkbox"/> X Units with Approved Vacancies for Modernization.</p> <p><input type="checkbox"/> X Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).</p> <p>(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. Promote links to community services through BHA Community Centers and our FSS program, and at other sites to meet the changing needs of BHA residents, focusing on programs and services that enrich residents' lives, promote independence, increase community involvement and support successful tenancies in public housing.</u> We are always looking to see how we can collaborate with other agencies. This objective will always be in the five year plan.</p> <p><u>Goal Four: Continue to work toward translation of key documents.</u> The translation of the documents is an ongoing process.</p> <p><u>Goal Five: Finish Renovations of Marvine apartments.</u> Completed in January 2016.</p> <p><u>Goal Six: Gradually phase out smoking on all BHA properties in an effort to make properties smoke-free by 2019.</u> Our smoking policy went into effect June 1, 2017</p> <p><u>Goal Seven: Explore the possibility of expanding the Authority's BHA-TV notification program to the family units, depending upon availability of appropriate technology.</u> We're looking to see if it is technically possible to accomplish this goal. We are exploring the possibilities of adding it at our family developments.</p> <p><u>Goal Eight: Continue renovating public housing properties and making capital improvements which promote fire safety and life safety as well as preserve the asset. Maintain high quality and timely design, bidding and construction, conserving energy and water and protecting the environment to the greatest extent feasible. Continue to actively involve residents, staff and the community in planning capital improvements. Promptly close out Capital Fund Recovery Grants. Apply for additional grants that may become available.</u> This is an ongoing goal. Lynfield Development began a comprehensive improvement in March 2016. Forty-seven units were renovated in the first phase.</p>

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or ___ Annual PHA Plan for the PHA fiscal year beginning 4/2018, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
5. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
6. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identifying any impediments to fair housing choice within those programs, addressing those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and by maintaining records reflecting these analyses and actions.
7. For PHA Plans that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2010-25);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
8. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
9. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
